

SFX: [Account Logo] fades on
VO: Hello,...

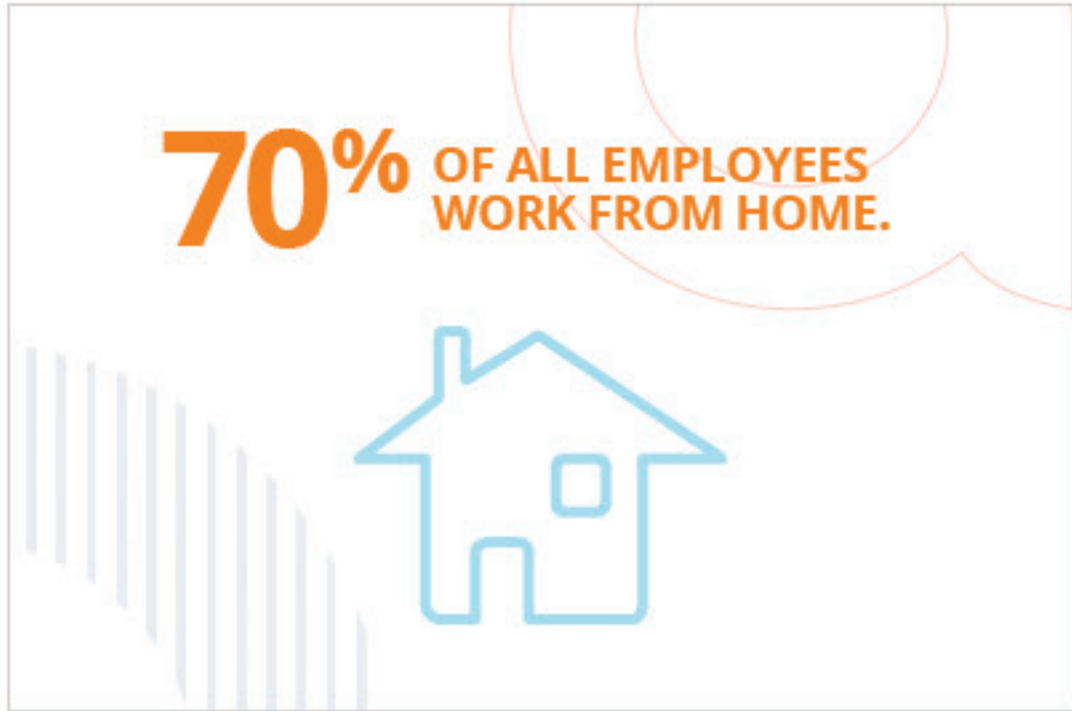

SFX: [Account logo] reduces and moves to right; Aruba logo animates on and grey line grows vertical from center.
VO: We've created a custom report for you that outlines some potential opportunities for your organization as you face the challenges of the new, work-from-home hybrid workplace.

SFX: [Account logo], Aruba logo and grey line transition off. "70%" and background transition on. Office icon "draws" on. Line should never feel static. Background will animate in subtle transitions.
VO: Did you know that on average, 70%

SFX: "OF ALL EMPLOYEES" slides/fades on from right- showing "70%" off to the left. Office Icon unspools and morphs into House Icon (changing color to light blue).
VO: ... of all employees who used to work from the office...

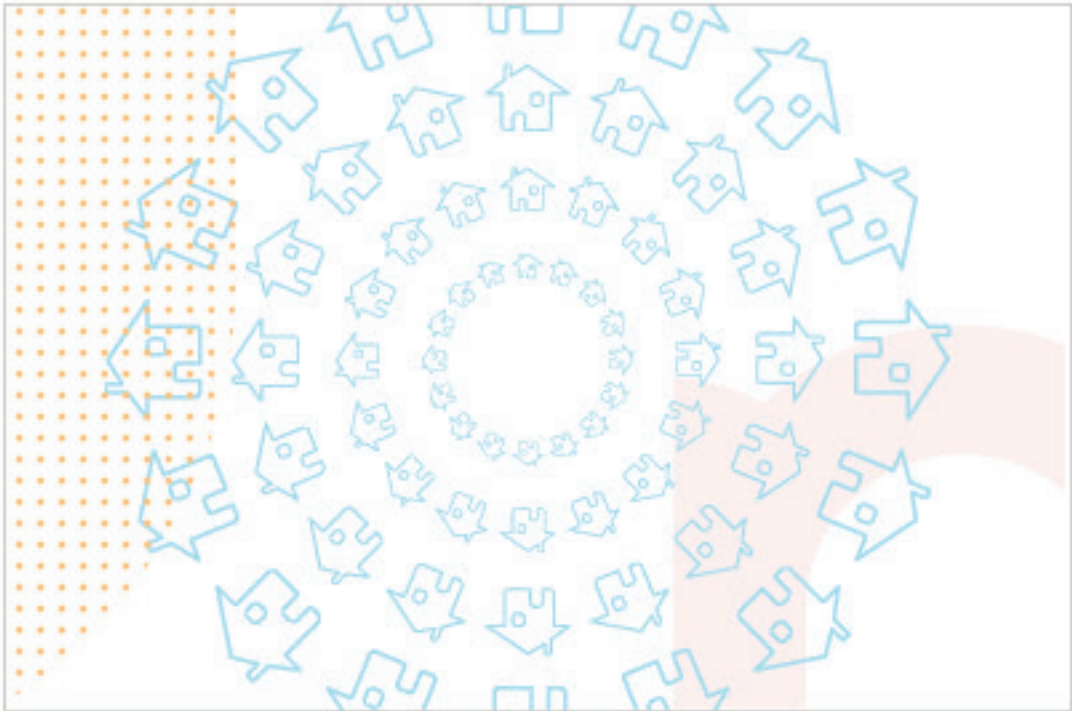

"NOW WORK FROM HOME" slides/fades on from right. House Icon completes metamorphosis.
VO: ... now work exclusively from home?

SFX: "ARUBA HYBRID WORKPLACE" slides in from left (grey) and right (blue)—meeting and merging in the middle (shifting to orange). "hybrid device" icon draws on.
VO: Fortunately,

SFX: "ARUBA HYBRID WORKPLACE" reduces and shifts to orange. "hybrid device" icon completes.
VO: ...with a hybrid workplace solution from Aruba...

SFX: Additional "house" icons appears (each ring alternating rotation directions like a kaleidoscope)
VO: ...you can achieve your long-term goals,...

SFX: Text lines slide in sequentially from alternating sides (right/left)—slow but don't halt (over the top of rotating houses).

VO: ...while delivering cost savings and productivity benefits in the process.

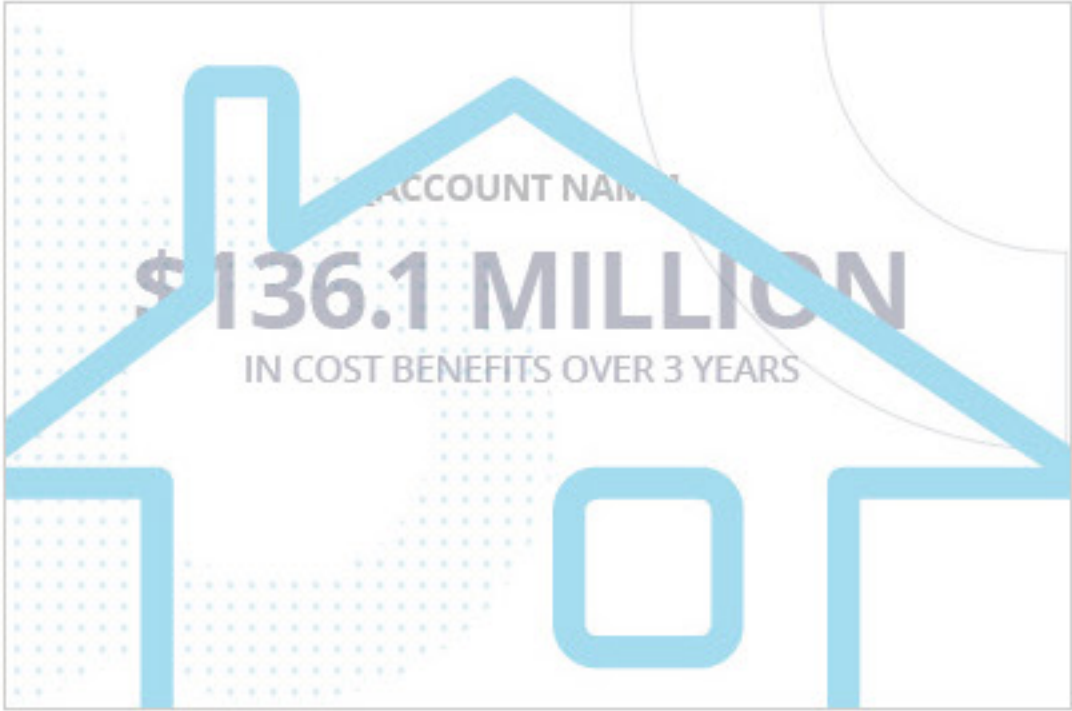

SFX: "house" icon reduces, Text exits (slides left/right). Account name and \$\$ fade on.

VO: ...In your case, a significant amount.

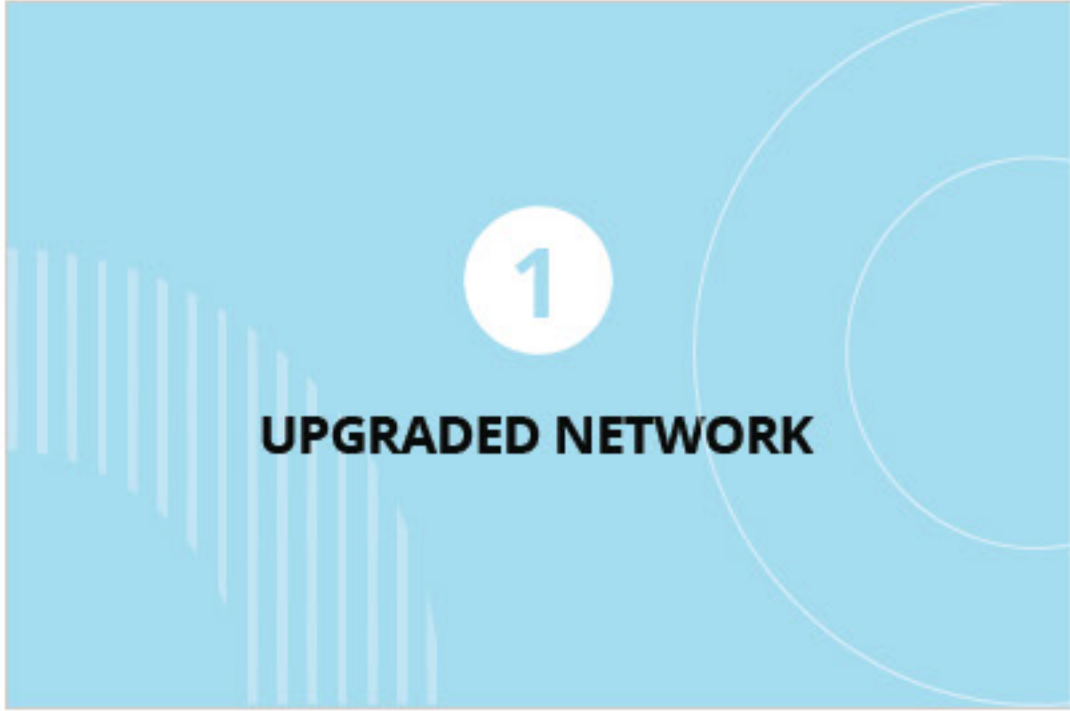

SFX: Account name and \$\$ complete.

VO: This conservative estimate of your organization's potential savings...

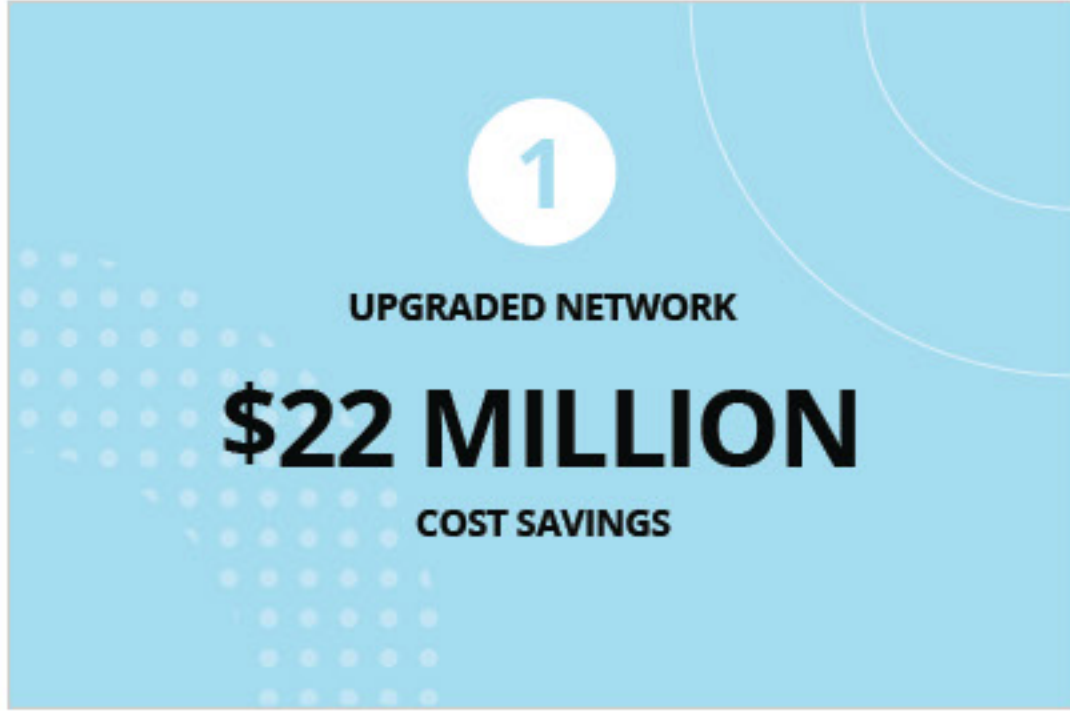

SFX: "House" icon enlarges (user "enters" house)

VO: ... is based on four key factors.

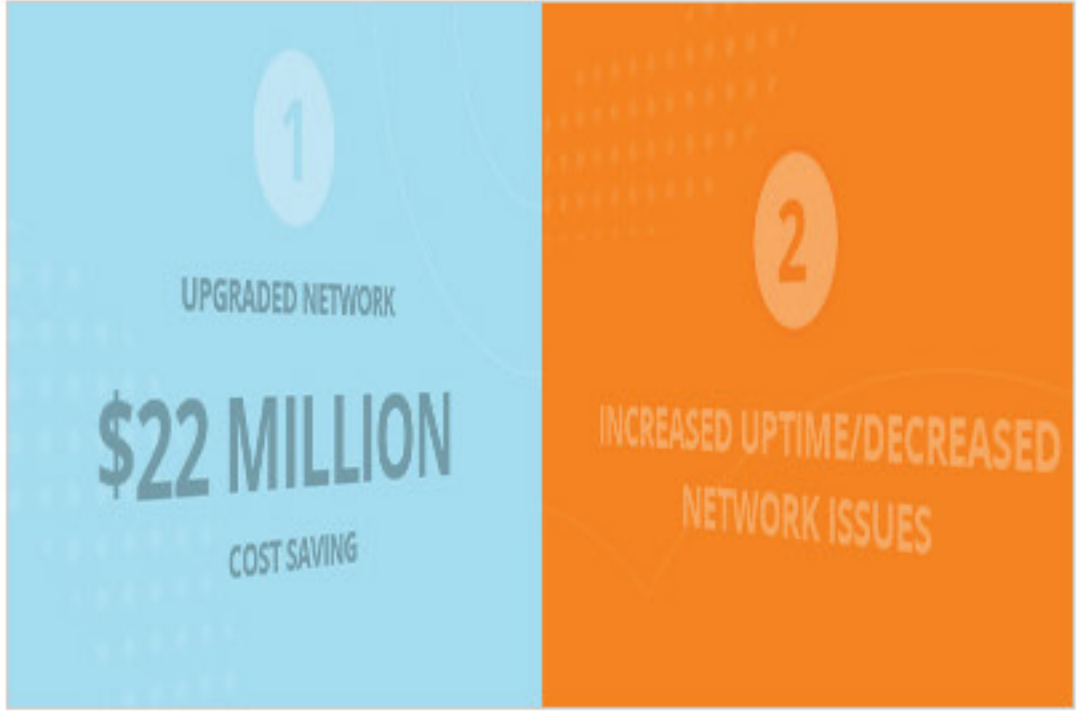

SFX: First "wall"—animates on

VO: First, upgrading to an Aruba network...

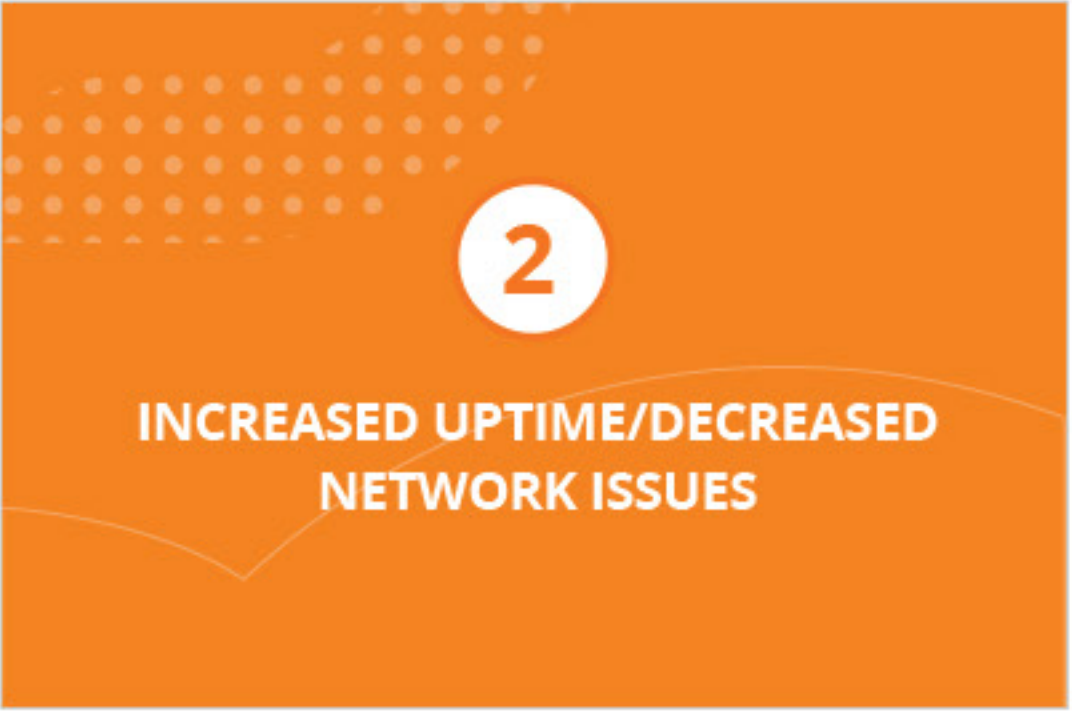

SFX: "\$22 MILLION..." appears/bumps up from below

VO: ... will transform performance and increase efficiency, resulting in cost savings.

SFX: room (walls) rotate (as if viewer is at center of a room—viewer is static). First room graphics fade...

VO: Also,...

SFX: Second "wall" text/graphics—animates (draw) on

VO: Aruba networks utilizes AI to find and solve problems before they ever happen,...

SFX: "\$50.6 MILLION..." appears/bumps up from below

VO: ...resulting in savings from faster issue resolution and increased uptime.

SFX: room spins transition to 3rd wall.

VO: In addition,...

SFX: Walls turn...Third "wall" text/graphics—animates (draw) on

VO: ...increased productivity delivers significant financial benefits—

SFX: "\$35.7 MILLION..." appears/bumps up from below

VO: ...improved performance, better user experiences, and increased network availability to start.

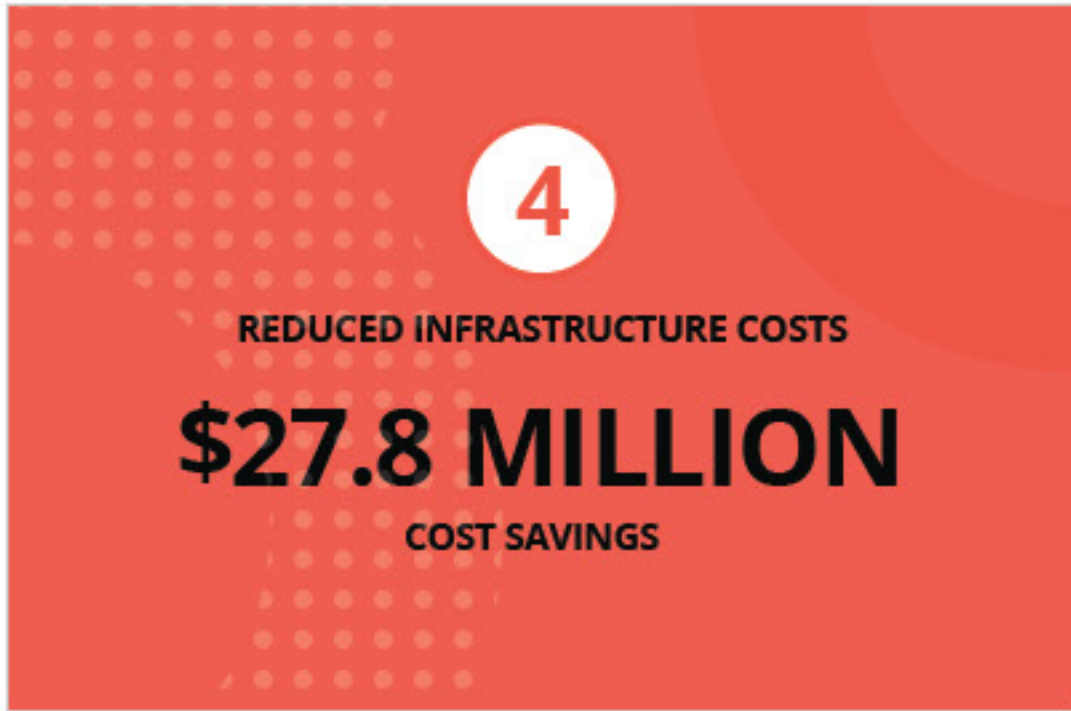

SFX: room spins transition to 4th wall.

VO: And finally,...

SFX: Fourth "wall" text/graphics—animates (draw) on

VO: ...you'll benefit from downsizing your real estate footprint.

SFX: "\$27.8 MILLION..." appears/bumps up from below

VO: Even a 5% reduction can make a huge difference.

SFX: Pan to ceiling panel...

VO: There it is.

SFX: Background graphics shift and redraw. Account Name, \$\$ and text appear.

VO: Add it all up, and the benefits from upgrading...

SFX: Icons shift and redraw

VO: ... to an Aruba hybrid workplace solution are hard to ignore.

SFX: Icons shift and redraw

VO: All the while fortifying your network for years to come.

SFX: Background graphics shift and redraw. Account Name drops to center. \$\$ and text fade off.

VO: So, let's talk.

SFX: Colors animate off and logos and CTA appear...

VO: We welcome the opportunity...

SFX: Colors animate off and logos and CTA appear...

VO: to share your personalized executive summary report and discuss the potential benefits in greater detail.
